Several of my friends take cover
I'd be sure, beware the certain lover
She's cool, she's you, It's oh such rue that she's done
to you
Steady yet baby, we'll be ready
Sometimes I find my feet unsteady
She's done time, She's done life
This push and shove don't hurt so much

Shut down, shut down, you should shut down on her,
hey-ey-ey-ey
Shut down, shut down, close enough so walk away-ay-
ay-ay

The girl has guts from top to toe
A VIP's are spending money on this, no
A slim waist, it's good taste
The girl gets slow, but she'll up the pace
You're addicted to the swing jet set
Make your summer the perfect yet
Look sharp, play the part
Think with your mind and not your heart

Shut down, shut down, you should shut down on her,
hey-ey-ey-ey
Shut down, shut down, close enough so walk away-ay,
Walk away

Love is easy, love's so unkind
Some are sleezy, love's so blind
Her blue eyes, her bust size
She's done her homework and I'm not surprised
Several of my friends take cover
Beware, be sure the certain lover
She's done time, She's done life
This push and shove don't hurt so much

Shut down, shut down, you should shut down on her,
hey-ey-ey-ey
Shut down, shut down, close enough so walk away-ay-
ay-ay
One hour (one hour), one day (one day), some how

(some how), some way
Shut down, shut down, so close it up and save your
alimony

Hey, your alimony, (I said) your alimony, (Hey) your
alimony
Save it (your alimony, your alimony, (Hey) your
alimony, your alimony)
(Alimony, alimony, alimony, alimony, alimony, alimony)
