Step alive my friend take cover  
Be sure, beware of this other lover  
She's cool, she's you, She's oh so shrewd and she's on  
to you  
Steady yet, think clearly, be ready  
Sometimes yr heart be unsteady  
She's on time, She's outta line  
This push and shove got a hurtful mind

Shut down, shut down, you should shut down on her,  
hey-ey-ey-ey  
Shut down, shut down, close enough so walk away-ay-  
ay-ay

The girl has guts from top to toe  
A VIP's are spending money on this, no  
A slim waist, it's good taste  
The girl gets slow, but she'll up the pace  
You're addicted to the swing jet set  
It'll make her summer her best bet  
Look sharp, play the part  
Think with your mind and not your heart

Shut down, shut down, you should shut down on her,  
hey-ey-ey-ey  
Shut down, shut down, close enough so walk away-ay,  
Walk away

Love is easy, love's so unkind  
Some are sleezy, love's so blind  
Her blue eyes, her bust size  
She's done her homework and I'm not surprised  
Step alive my friend take cover  
Beware, be sure of this other lover  
She's on time, She's outta line  
This push and shove got a hurtful mind

Shut down, shut down, you should shut down on her,  
hey-ey-ey-ey  
Shut down, shut down, close enough so walk away-ay-  
ay-ay  
One hour (one hour), one day (one day), some how

(some how), some way  
Shut down, shut down, so close it up and save your  
alimony

Hey, your alimony, (I said) your alimony, (Hey) your  
alimony  
Save it (your alimony, your alimony, (Hey) your  
alimony, your alimony)  
(Alimony, alimony, alimony, alimony, alimony, alimony)
