You told me that you'd never leave me  
You came and opened up my eyes  
Well you told me that you'd never  
Be leavin this ol' boy  
I've said enough of those silly goodbyes

You told me that you love me  
(never mind you know)  
It's not forever I know  
You told me you'd stay with me baby  
It's not forever I know

You gave me good reason  
You gave me reason to smile  
Well you took that good reason  
And broke it into pieces  
Now I've got to be alone for a while

Don't matter just what you think about it  
You never bother to call  
Don't matter that I can't live without it  
Don't matter at all
