I am so confused  
you know I refuse  
tearing me apart  
tearing me apart  
Sounds and glimps in my mind  
the abyss of time  
to me you're everything  
to me a past went in tears  
to me..  
I can't sleep  
what's really me?  
I am so confused  
you know I refuse  
tearing me apart  
tearing me apart  
to me you're everything  
to me a past went in tears

with you  
cause nothing I'm afraid  
when I'm with you  
to me you're everything  
to me a past went in tears  
with you  
cause nothing I'm afraid  
when I'm with you  
with you  
cause nothing I'm afraid  
when I'm with you  
Ooooh  
cause nothing I'm afraid  
when I'm with you  
no,no  
nothing I'm afraid  
when I'm with you
