Where you go
Boy there's always something new
Where you've been
There are falling tears for you

Why should you escape the waking truth?
All that you were searching for is here for you
And I will never turn away
No matter what is said and done
This is all I've known for sure
Since this has begun

Because
I have held you in my arms but I realize
I can't keep holding on
I hope you turn around
Before it's too late

Where'd you go?
Boy you're tired, weak and blue
Where've you been?
Was the bloodshed overdo?

Why should I escape the waking truth?
All that I am searching for right now is you

So I will never turn away
No matter what is said and done
This is all I've known for sure
Since you have begun

Because
I have held you in my arms but I realize
I can't keep holding on
I hope you turn around
Before it's too late

It's too late

I have held you in my arms but I realize
I can't keep holding on...

I hope you turn around
Before it's too late
It's too late
