Yeah!

Oh yeah, yeah

Yeah!

Uh, woo! Come on, uh

If I can go, with you

Yo, yo, uh

If I can chose a place to go it gotta be far away
From here we could crossover like hard away
Somewhere outside the states where tomorrow's like
today
And I'm out in a space where nobody else can stay

And, if I can go, with you
Then I'll go get the ticket right now if that's cool
Have you ever been close to feelin' like leavin' the
coast too
Feelin' like leavin' with somebody who

Hold you the right way while watchin' the night fade
Make you feel like you right back in the ninth grade
When you know what he likes and what he might say
And you try to be calm and answer in nice ways

And, if I can go with you
Way out the states no 2-ways and no page
No cells and no trace and you just a phone call away
So all I got to say is

If I can go, contigo, I'll pack my things, soon as you say
Baby vamos, we'll fly away, like there is no, no
tomorrow
If can go, contigo, I'll tell my friends, nothing at all
I'll get my things, soon as you say, baby vamos, we'll
fly away

And, if I can go, with you
Oh boy we 'bout to make a lot of people annoyed
In Croix, you better know I know how to sneak with them
toys
Employed, with the block since around 94 boy

And, if I can flow, with you
Holdin' dat dough after the studio I roll with you
I send Dutch and three other goons to go get you

Sacario the name awaits the whole issue
Grown men keep on cryin' get mo' tissue
The way me and this girl be rhymin' it's so official
Them I'm takin' a trip too with no pistols

'Cause everything peace only sand no streets
Little Miami Heat, that's the plan we'll see
Two cups, one in Senado one in Sand Beach
And, I'll think I'll go, with you
So tell the station you need a week, back to you

If I can go, contigo, I'll pack my things, soon as you say
Baby vamos, we'll fly away, like there is no, no
tomorrow
If can go, contigo, I'll tell my friends, nothing at all
I'll get my things, soon as you say, baby vamos, we'll
fly away

You can fly away, no one has to know
Babe take me with you 'cause if I can go
Soon as you say the word, we'll be on our way
To a foreign place, you got to tell me

Yo, uh, so now that we got a plan are you comin'?
We could plan a week
The only question now is LaGuardia or Kennedy?

And a seat, know why? the window 'cause I like to see
And seein' as to how I'm so fly me and the clouds can
speak
And, since we 'bout to go, in a few
Go 'head

Oh, I just wanted to tell Trace thank you
That week off I'm grateful what was you tryin' to say
boo?
Nuttin' just grab my chain off the table and 2 way too

Okay, that little place it's a great move
But ain't no problems, unless the water don't stay blue
And the shop's there?

If they don't got 'em, they don't make 'em
(True!)
No concrete just sand, throw away your shoes
Now, that we are on, our way

And our bags is packed and the car service is not late
Everything's okay, so I guess I catch you on the next
track
Now I don't gotta ask

If I can go, contigo, I'll pack my things, soon as you say
Baby vamos, we'll fly away, like there is no, no
tomorrow
If I can go, contigo, I'll tell my friends, nothing at all
I'll get my things, soon as you say, baby vamos, we'll
fly away

If I can go, contigo, I'll pack my things, soon as you say
Baby vamos, we'll fly way, like there is no, no tomorrow
And if I can go, contigo, I'll tell my friends, nothing at
all
Nothing at all, I'll tell my friends, nothing at all
