Screw you

Screw you

Screw you Benny [x4]

I thought you were my friend

And a fugitive just like me

A taxi driving freak

With five kids to feed

Then you betrayed me

Did you do it for money?

Were you consumed with greed?

I thought you were a family man

With four kids to feed

Screw you

Screw you

Screw you Benny [x2]

[Guitar solo]

You betrayed me

You betrayed me

Now you're out for blood

To make me your kill

I must put a stop to this

By impaling you with this drill

Screw you

Screw you

Screw you Benny [x3]

You betrayed me

You betrayed me

So screw you

Screw you Benny
