I'd rather be lonely and in pain
Then be surrounded by my enemy with joy to gain
I'd rather be rich in spirit than poor in fame
I'd take a one way ticket to anywhere
Just to regain

To me it would be the hardest thing
To lose out on every single dream
'cause I'm without you
Don't wanna ride without you
Don't wanna ride without you

I'd rather feel bad inside and cry alone
Then to be placed up high and praised upon a thrown
See I'm only human, by nature I'm free
The wounded shall heal by heaven's hands naturally

To me it would be the hardest thing
To lose out on everything I've dreamed
'cause I'm without you
Dont wanna ride without you
Don't wanna ride without you

Don't wanna ride without you
Don't wanna ride without you
Don't wanna ride without you
Don't wanna ride without you

Don't wanna ride without you
Don't wanna ride without you
Don't wanna ride without you
Don't wanna ride without you

To me it would be the damnedest thing
To lose out on every single dream
'cause I'm without you
Don't wanna ride without you
Don't wanna ride without you

Oh, I'm slippin from my goal
But I don't give a damn
'cause I believe I'm free, yeah

To me it would be the damnedest thing
To lose out on every single dream
'cause I'm without you
Don't wanna ride without you
Don't wanna ride without you

To me it would be the hardest thing
To lose out on everything I've dreamed
'cause I'm without you
Dont wanna ride without you
Don't wanna ride without you

To me it would be the hardest thing
To give up on every single dream
'cause I'm without you
Don't wanna ride without you
Don't wanna ride without you

To me it would be the hardest thing
To give up on every single dream
'cause I'm without you
Don't wanna ride without you
Don't wanna ride without you

Don't wanna ride without you
Don't wanna ride without you
Don't wanna ride without you
Don't wanna ride without you
