Now see you being cool too fast
I didn't say light that up that quick, shit
Vapors, here [Inaudible], uh

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on

Creepin' on me late at night, hey
Sets me free just to hold it tight, yeah
Slender feel, I do love it so, oh
Shapes the way that my rhythm flows

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on

Bloody red is what my daddy said
When he looked at my eyes at night, yeah
What we gon' do, you said go
'Cuz your eyes are as red as mine, told my daddy, hey

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on

Creepin' on me late at night, hey
Sets me free just to hold it tight, oh
Slender feel, I do love it so, uh
Shapes the way that my rhythm flows, oh, oh, oh

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors

Green grass vapors, come on

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on

Green grass vapors runnin' through my head
I'm feeling higher than the Thunderdome
Green grass vapors, green grass vapors
Green grass vapors, come on
