Ooh, yeah, ooh, ooh  
Oh yeah, uh-huh

Listen  
Holding back the years  
Thinking about the fear I've had so long  
Will somebody here listen  
Listen to the fear that's gone

Strangled by the wishes I begged for  
Hoping for the unmade for  
To get to me the sooner or later  
Oh Lord

Ooh  
Holding back the years  
Chance for me to escape from all I know  
And uh holding back the tears yeah  
Cause nothing here is wrong, oh Lord

I've wasted all my tears yeah  
(Ain't no reason, no)  
Wasted all those years  
(Too many, too many they just go by)  
Nothing had the chance to be good, no, no  
Nothing ever could, oh no

But I'll keep holding on  
(Gotta keep holding on)  
I'll keep holding on  
(Never let go no, no, no)  
I'll keep holding on  
(Gotta keep holding on)  
I'll keep holding on  
Take your time, take your time  
Suga take your time  
Take your time  
Take your time, take your time  
Suga take your time  
Take your time

Oh now

I've wasted all my tears  
Wasted all those, those lonely, lonely years  
Nothing had the chance to be good  
Nothing ever could

I'll keep holding on  
(Gotta keep holding on)  
I'll keep holding on  
(Never let go no, no, no)  
I'll keep holding on  
(Gotta keep holding on)  
I'll keep holding on  
Oh, oh, oh, oh

Gotta just keep, keep  
Keep holding on  
No matter how tired  
Gotta just keep, keep  
Keep pressing on  
As weary as it may seem... *[repeat 4x]*

Think it's a love song  
Pull back, pulsate  
Gonna keep holding on  
Never, never, never let go  
Oh yeah  
I'll keep holding on
