### "I Don't Care"

I don't care what people think about me. I don't care  
what people say about me.

With all of my haters yet still I rise, I wanna thank you  
cause I recognize; without you I wouldn't be relevant,  
Because of you I know I'm heaven sent.

There was a time I use to want everybody to love me,  
and there was a time when I used to wear my feelings  
On my sleeve, but that never got me anywhere. I had to  
learn that life just ain't fair. I took the highs and the  
lows,

The bumps in the road now ain't nothing gettin' in the  
way of my flow.

I don't care what people think about me. I don't care  
what people say about me.

With all of my haters yet still I rise, I wanna thank you  
cause I recognize; without you I wouldn't be relevant,  
Because of you I know I'm heaven sent.

If I'd known half of the things that I know now, If I'd  
known, if I'd known I woulda never lost focus But I gotta  
say that I'm

Wiser now. When I look back all I can say is wow. And If  
you ask me I can tell you how to walk around with a  
priceless smile.

I don't care what people think about me. I don't care  
what people say about me.

With all of my haters yet still I rise, I wanna thank you  
cause I recognize; without you I wouldn't be relevant,  
Because of you I know I'm heaven sent.

Listen to me, people tend to duplicate what they see  
and What they don't know is image isn't what they  
should strive for instead

Not choose to follow what they see in magazines and  
on TV, but I'm a live right and stay in this fight because  
after all this is my life.

I don't care what people think about me. I don't care  
what people say about me.  
With all of my haters yet still I rise, I wanna thank you  
cause I recognize; without you I wouldn't be relevant,  
Because of you I know I'm heaven sent.
