And you can't forget about the big

Snoopy d o double gizzle

[Angie]

Oh love..

Just don't know what it is you do to me

Somebody upstairs ought to complain

Got me feeling free

I aint diggin' nobody but you

Can't take a chance on nobody new

Said i'm feelin' everything you do

Your love is Gangsta'

I wanna thank ya

Love the way you love me baby

Love the way you love me darlin'

Oh

Don't y'know i love ya baby

Y'know i really love ya darlin'

Love the way you love me baby

Love the way you love me darlin'

Don't y'know i love ya baby

Y'know i really love ya darlin'

You know your my destiny

And i love this chemistry

It keeps on pulling me

Making me see your the one god has sent for me

I can't explain how your makin' me feel

Throw up my hands coz this feeling is real

Move em around coz your puttin' it down

Your love is Gangsta'

I wanna thank ya

Love the way you love me baby
Love the way you love me darlin'
(It's the things you do)
Oh
Don't y'know i love ya baby
Y'know i really love ya darlin'
Love the way you love me baby
Love the way you love me darlin'
Oh
Don't y'know i love ya baby
Y'know i really love ya darlin'

You-give-me-a-natural-high
It-feels-so-good-I'm-On-Cloud-9
Did you get sent down from heaven
Oh..coz it's real and it's pleasure
You can try

Love the way you love me baby
Love the way you love me darlin'
(love it when you)
Oh
Don't y'know i love ya baby
(do the things you do)
Love the way you love me baby
Love the way you love me darlin'
Oh
Don't y'know i love ya baby
Y'know i really love ya darlin'

[Snoop]
G A N G S T A
From what i see c'mon whistle must we stay
Together forever
You see coz ever is ever aint never ever with nobody
Do we get up
And the 's' oh yes i guessed your blessed
I put the rocks on ya fingers earrings jingle
No more saga you got a man in ya life
And i understand watcha like
Ya friends don't want you stayin' while you be seeing
me
But they don't understand that you love the 'G' in me
The way i walk, the way i look, the way i talk,
The way you make luv in the dark
Some things in life are meant to be
I thank god above that you were sent for me
Y'see coz my point of view, is all about you,
You gotta tell me what you wanna do
