I want you like a man loves his money
I want you like a man loves his money

What is it about you
Makes me do the things I do

Workin' all day just to please you
Got to have you, to keep you
Time after time after time I wonder why
Havin' too much makes me wanna give it up
'cause you tempt me, please don't break me

I want you like a man loves his money
I want you like a man loves his money

I want you like a man loves his money
I want you like a man loves his money

Gotta get that cash, gotta get it fast
Hold up, wait a minute
I really love man

Time after time after time I wonder why
Not havin' enough makes me have to skig it up
Don't test me, they'll arrest me

I want you like a man loves his money
I want you like a man loves his money

I want you like a man loves his money
I want you like a man loves his money

Money money money money
(Love the money babe)
Money

Money money money money
(Love the money babe)
Money

Money money money money
(Love the money babe)

Money

Money money money money
(Love the money babe)
Money

I want you like a man loves his money
I want you like a man loves his money
