Sit down, let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for you

Sit down, let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for you

Sunny days, purple haze
We chillin' in the shade, oh
I can feel myself gettin' a rush
Oh, I'm so high

Apple martinis and buffalo wings
Baby, listen to the jay bird sing
La la la la la
La la la la

Baby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for you

Baby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for you

Cruisin' on in Chi town
I'm here to tell you we just don't stop
Makin' our way with Marvin Gaye
Watchin' sunsets on the bay

Baby, let me rub your body
With some oil
Can we take it there
I dare you boo

Baby, sit down let me talk to you
Maybe we can get down if you want, now or later

If you're with it, I'm here to make sure it happens
In the best way for you

Baby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for you

Baby, oh baby, I said
I'm lovin' the way that you're lovin' me
I'll admit, I'm caught up in my fantasy
And I won't change this feeling for nothin'

Sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for you

Sit down c'mon
Let's have a conversation
I want to be good to you
(I love you boy)

Come over here baby sit down
Let me talk to ya bout what's goin down sugar
I just wanna let you know that I'm feelin' you
Crazy, crazy about you

And I'm lovin the very ground you walk on
Baby, listen to this song
You know you make me feel
Like a real woman
