Just like a seed that wouldn't grow
Not 'til it had the right home
You were like that for me
You nurtured me, you cared for me

You never would let go
Not 'til you could breathe new life to me
Don't you see what you mean to me? Everything
Where would I be without you?

So many times you could have walked
But you stood by me through it all
Got me through the hurt, baby, you served
Through every broken thing to put me back together

Now all is good with me
I'm more happy than most could be
I'm so gone and that's okay with me
Oh, boy, you make me breathe free

You make the sunshine, you make the rain fall
These are the reasons I love you
Just like the wind blows or how the Nile flows
Baby, I love you, I love you

High as the moon, boy, you've got me flying
And though the seasons they change
You stay the same boy, these are the reasons
Baby, I love you, I love you

Got on my knees real low
Wanna let God know, that I'm so thankful for you
Now and forever, I'll adore you, yeah
I'm crying tears of joy, I'm so in love with you, boy
Praisin' His name for blessings and favor, yeah, yeah

I want you to know that you have changed my whole life
And now I'm trusting like I never did before
Smiling like I never did before
Loving like I never did before and it's all because of
you

You make the sunshine, you make the rain fall
These are the reasons I love you
Just like the wind blows or how the Nile flows
Baby, I love you, I love you

High as the moon, boy, you've got me flying

And though the seasons they change
You stay the same boy, these are the reasons
Baby, I love you, I love you, you

Just can't get enough of you
Boy, I'm so in love, tell me what did you do
Got me all messed up, had a scope of belong to you
Why you put it down? [Incomprehensible]

You make the sunshine, you make the rain fall
These are the reasons I love you
Just like the wind blows or how the Nile flows
Baby, I love you, I love you

High as the moon, boy, you've got me flying
And though the seasons they change
You stay the same boy, these are the reasons
Baby, I love you, I love you

You make the sunshine, you make the rain fall
These are the reasons I love you
Just like the wind blows or how the Nile flows
Baby, I love you, I love you

High as the moon, boy, you've got me flying
And though the seasons they change
You stay the same boy, these are the reasons
Baby, I love you, I love you

You make the sunshine, you make the rain fall
These are the reasons I love you
Just like the wind blows or how the Nile flows
Baby, I love you, I love you

High as the moon, boy, you've got me flying
And though the seasons they change
You stay the same boy, these are the reasons
Baby, I love you, I love you

Just like a seed that wouldn't grow
Not 'til it had the right home
You were like that for me
You nurtured me, you cared for me

You never would let go
You never would let go
Go
