Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you  
Now you want me to be down  
For lovin' you a second time  
Ain't no way 'cuz I'm doin' just fine  
Now that I'm over you

There you go givin' me that same old vibe  
You got that something something, baby  
You know you rub me the right way  
But we've been down this road  
You took me for a ride  
You left me stranded but I got over it  
And got on with my life

Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you  
Now you want me to be down  
For lovin' you a second time  
Ain't no way 'cuz I'm doin' just fine  
Now that I'm over you

Why should I let you back in my life  
You'll only hurt me, hurt me baby  
And I don't deserve to be treated that way  
So I tell you what  
What I'm gonna do  
I'm gonna get the hell out of here  
'Cuz I'm not coming back to you

Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you  
Now you want me to be down  
For lovin' you a second time  
Ain't no way 'cuz I'm doin' just fine  
Now that I'm over you

So whatcha gonna do?  
'Cuz I'm not coming back to you, babe  
Whatcha gon' do?  
'Cuz I'm not comin' back, no  
Whatcha gonna do?  
'Cuz I'm not coming back to you, babe  
Whatcha gon' do?  
'Cuz I'm not comin' back

Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you  
Now you want me to be down  
For lovin' you a second time  
Ain't no way 'cuz I'm doin' just fine  
Now that I'm over you

Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you  
Visions of  
Wanna be mine wanna be mine, you  
Now you want me to be down  
I thought I'm holding you

Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you

Visions of you in my mind  
Haven't thought about it for a long long time  
Why you tryin' to creep back into my life  
Now that I'm over you  
Now you want me to be down
