I'd rather be lonely and in pain  
Then be surrounded by my enemy with joy to gain  
I'd rather be rich in spirit than poor in fame  
I'd take a one way ticket to anywhere  
Just to regain

1 - To me it would be the hardest thing  
To lose out on every single dream  
Cuz I'm without you  
Don't wanna ride without you  
Don't wanna ride without you

I'd rather feel bad inside and cry alone  
Then to be placed up high and praised upon a thrown  
See I'm only human, by nature I'm free  
The wounded shall heal by heaven's hands naturally

2 - To me it would be the hardest thing  
To lose out on everything I've dreamed  
Cuz I'm without you  
Don't wanna ride without you  
Don't wanna ride without you

3 - Don't wanna ride without you  
Don't wanna ride without you  
Don't wanna ride without you  
Don't wanna ride without you

Repeat 3

4 - To me it would be the damndest thing  
To lose out on every single dream  
Cuz I'm without you  
Don't wanna ride without you  
Don't wanna ride without you

Oh, I'm slippin from my goal  
But I don't give a damn  
Cuz I believe I'm free, yeah

Repeat 4

Repeat 2

5 - To me it would be the hardest thing  
To give up on every single dream  
Cuz I'm without you  
Don't wanna ride without you  
Don't wanna ride without you

Repeat 5

Repeat 3 until fade
