All the things that I said,  
All the senses that I expressed,  
All the actions that I made,  
I'm regret

And all the laughs that I laughed,  
All the mails that I send,  
All the minuts that I spend...

I'm regret to say I love you,  
I'm regret to say that we will see us,  
when I know is lie, and then  
I started to let down,  
and wanna change it all.

All the faces that I made,  
All the words that I read,  
All the plans that I did,  
I'm regret

And all the phrases that I wrote,  
All the smiles that I smiled,  
All my heart that I fill...

I'm regret to say I love you,  
I'm regret to say that we will see us,  
when I know is lie, and then  
I started to let down,  
and wanna change it all.

To be honest, I was in love  
I was dreaming, on my own deep dream  
But then I woke up from it,  
and knew that you and me...  
Was so good to be real

Now  
I'm regret to say I love you,  
I'm regret to say that we will see us,  
when I know is lie, and then  
I started to let down,

and wanna change it all.
