Everyday when I get up,
I heard in my mind,
your voice trying to say
what you thing.
The return around me, like a
carousel. And I don't know why,
I don't know how, your're in my
mind... Because it's end.

And now, I'm thinking in you,
why you don't tried to be together
And try to Laugh, Live and Love!
Don't heard the chances,
Laugh, live and love!
And avoid some changes

And don't say me 'I told you'
'Cuz I know, it's obvious
You tried to avoid me,
and myself.

And now, I'm thinking in you,
why you don't tried to be together
And try to Laugh, Live and Love!
Don't heard the chances,
Laugh, live and love!
And avoid some changes

Maybe I was, I was afraid
Maybe you try to avoid
me, the problems that I
could give you.
But when it happened I
couldn't see it
But now, but now, I repeat...

And now, I'm thinking in you,
why you don't tried to be together
And try to Laugh, Live and Love!
Don't heard the chances,
Laugh, live and love!

And avoid some changes

Laugh, live and love, don't avoid.
