Dreams - sensations you prove

Are taken from nature
Sooner or later they'll try to convince you are wrong
Fight against the kingdom of fear
You find those emotions are true in your mind
We're just
Crawling Angels and Demons disguised

When your Angels and Demons arise
But I'm sure..
The truth you don't know so try to be sure
Face the Truth: God is not love!
Feel as fluid as life,
Love is a rainbow
As much as it seems to be real

It's all in your mind
Sooner or later I'm gonna convince that
The truth is a lie
There's no Judge when we die
We're just
Only dust

Crawling Angels and Demons disguised
The truth you don't know so try to be sure
When your Angels and Demons arise
When the Angels and Demons disguise
But we're still not sure which way we should go

Just confusing our brains with their lies
Enticing emotions
Revolting devotions
The Angels and Demons telling me lies!
