Into my mind  
It all came closer again  
Things that we say  
Sometimes throw the reason away

And I know I've been less than a man  
There's a burning inside me sustain

I have cried for you  
Lost my pride for you  
Now that you've gone  
I can't see the sun  
I have lied to you  
I have tried to do  
What you want me to  
What a perfect day to throw it all away

Feelings disguise  
Are now coming to new life  
So many tears  
That have fallen down from your eyes

I am only the shell of a man  
There's a burning inside me sustain

I have cried for you  
Lost my pride for you  
Now that you've gone  
I can't see the sun  
I have lied to you  
I have tried to do  
What you want me to  
It's a perfect day to throw it all  
Perfect day to throw it all away

Wasted time, nowhere left to go  
Piece of mind is what I find today  
Breaking ties, from this lies howl  
Life has no meaning  
And you're all to me  
So don't let it go, you never know

How many days are nice

I have cried for you

Lost my pride for you

Now that you've gone

I can't see the sun

I have lied to you

I have tried to do

What you want me to

It's a perfect day to throw it all away
