I feel the pain but I'm afraid to cry  
All the time  
Desperate hiding tears  
My life is boring and I count the days  
On and on  
Always here to stay

Only if God would show a sign for me  
Oohh  
Only if God could hold my begging hands

This endless tortures building up my rage  
Holding on  
Hide my agonies  
I'm getting weary just to be alive  
All I want is help!

So you dove into the dark  
Beyond yourself  
(Beyond yourself)  
Lost your way to find the surface  
Once again  
(Once again)

Show me all you can  
All your solemn eyes  
Oh, holding your despair

Sorrow made your life a living hell  
Lights are fading  
Dove to shine the black hold in yourself  
Ego painted grey

Show me all you hold  
Bless your shadow shell  
Turn to fire's rage

Sorrow made your life a living hell  
Lights are fading  
Caught to shine the black hold in yourself  
Ego painted grey
