Where you come from?  
I hear an angel's song  
It seems to be a call, a rush change of love  
Take me through the storm  
When you came from?  
I far return so long  
Spirit brought me life, a passion at first sight  
And I hear my heart  
In this dance around the isle  
Empty screams are all beyond the time  
Then you come  
Like an angel from the skies  
Leases all my dreams, I wonder why  
You are gone, someday you'll return  
Where do you come from?  
Far away beyond  
Virgin as a diamond, precious like a child  
And I hang my heart [x5]  
We've got to believe we'll join our lives  
Over the vengeance, treason of lies  
We can be one, we can restart  
Forgive my mistakes (time will tell)  
Forgive my mistakes, someday  
Since I arrive on the shore  
I've seen all (someday)  
A new chance brought from the source  
In a lease of life
