"Passing By"

Home you go tonight
To break the sound of tears
Life's fading
To keep the world away
Is not enough to ease the pain

Time is passing by
Time is passing by; i see it in your eyes

Fire burns inside
A light that's caught between
Night and day
Sun's been set to die
Hit supernova in your mind

Time is passing by
I see it in your eyes (repeat)
Time is passing by
I see it in these eyes(repeat)
They tell me all!
You can't deny
It's in your eyes

Visions disappear
Memories of a dream
Surrender
Give them to the wind
Deny your sorrow, live again

Time is passing by
I see it in your eyes (repeat)
Time is passing by
I see it in these eyes(repeat)
They tell me all!

Time is passing by
I see it in your eyes (repeat)
Time is passing by
I see it in these eyes
I see it in your eyes

You tell me all
You can't deny
You know you tell me lies
