[Music: Rafael Bittencourt and Kiko Loureiro / Lyrics:
Rafael Bittencourt]

Cooling breeze from a summer day
Hearing echoes from your heart
Learning how to recompose the words
Let time just fly

Joyfull sea gulls roaming on the shore
Not a single note would sound
Raise my head after I dry my face
Let time just fly

Recalling, retreating
Returning, retreating
A small talk your missing
More clever but older now

A leader, a learner
A lawful beginner
A lodger of lunacy
So lucid in a jungle
A helper, a sinner
A scarecrow's agonizing smile

(And I) Ride the winds of a brand new day
High where mountain's stand
Found my hope and pride again
Rebirth of a man

Time to fly...
