"So Near So Far"

Look at my face
Scars won't deny

Alone again
I start to cry

Staring at me
Too blind to see

Open arms
For all i give
For all i take
Inside of your heart
So near so far

I'm just a boy...like you

Oh! father i pray
For your charity
Wisdom, for life
Was all i needed
Was all i wanted
To share with you

You know my heart
Was not disguise
Waiting for you
So stay with me

I'm now a man! you know!

Come! take a chance
And give it all
No, harmful winds
To whisper for

Life is short, you know
We can regret
Healing wounds always help us to redress
And with you i learned to live

Come! take a chance
And give it all
No, harmful winds
To whisper for

Our time is short, you know
Must we still regret ?
Healing wounds always make time to redress
And i love you more each day
