She got home on the last boat from Devonport  
She's been smiling all the way  
Moving mountains with her fingers  
And laughing at me

I'm so sick  
I've been on the road for days  
And I left  
A thousand stories for them to hear

[Chorus]  
I don't mind losing everything  
Don't make me shiver in this place  
It's been a long time since I talked to you

In Tracy's eyes, you do your worst and still she cares  
And when you cry, you soon forget or be afraid  
And you wonder how you ever lived a day  
In your whole life  
With a precious soul to lean on

And I don't mind losing everything  
Don't make me shiver in this place  
It's been a long time since I talked to you

[Music]

I don't mind losing everything  
I don't mind losing everything  
I don't mind losing everything  
I don't mind losing everything

I don't mind (don't mind losing everything)  
I don't mind  
Losin' everything  
I don't mind (don't mind losing everything)  
I don't mind  
Losin' everything (don't mind losing everything)  
No, no, no!

I don't mind (don't mind losing everything)

Losin' everything
