If I, if I think too fast
Take what's in my head
I've got two things in my head's end

If I think too fast
Take what's in my head
I've got two things in my head's end

Now I've got these chores
And I'm not gonna hurt no one
And when at last my work is done

Now I've got these chores
And I'm not gonna hurt no one
And when at last my work is done

If I (x9)

If I think too fast
Take what's in my head
I've got two things in my head's end

If I, if I think too fast
Take what's in my head
I've got two things in my head's end

Now I've got these chores
And I'm not gonna hurt no one
And when at last my work is done

Now I've got these chores
And I'm not gonna hurt no one
And when at last my work is done

If I (x36)

I only want the time
To do one thing that I like
I want to get so stoned
And take a walk out in the light drizzle
At the end of the day
When there's no one watching

At the end of the day
When there's no one watching
