Hungry bread hussle
You be doin' it a while
Living's only hell
Where's you relaxation?
Where's the time required for your health?

Been hatin' on my new perspective
Been hurryin' it along your meal is never done
You can win a Rabbit
You can have a rabbit or a rim

The fast child is gunna have a dead hen
We can get it started yeah,
Bad mind let me put on good habits
Been workin' in put on good habits
Sometimes I can't find my good habits

Do-doloodle do duh duh duh de do

[x4]

Oh, Spanish bands use all the echo
Seargion kitty better stay out of the train
Glad you brought your food on,
Eat it like it's gunna get away

Your coffee sure is getting colder
Your teeth are getting tumors razor to the blade
You can win a rabbit
You can win a rabbit or a rib

Wabbit or habit?
Habit or Rib?
Rabbit or Habit?
Habit or Rib?
Rabbit or Habit?

Do-doloodle do duh duh duh de do

[x4]
