I met a man
He was 87
He said no way in hell
Am I waiting for heaven

Enjoy every moment
That's what he said
And have no regrets
When you take your last breath

Life's about knowledge love and friends
Carpe Diem
Gonna grab whatever I can

Smell all the roses
That's all you got
'cause when the put you in the ground
Your just gonna rot

Spent a long time down
But I got back up again
Gonna live like I'm going
But I just don't know when

Life's about knowledge love and friends
Carpe Diem
Gonna grab whatever I can

And it's a crime to waste time
And bitch about what you're not
Cause you can't reclaim the years
Or anything you forgot

He said tell the ones you love
You love 'em before they pass
Cause there ain't no pearly gates
And this chance may be your last

Life's about knowledge love and friends
Carpe Diem
Gonna grab whatever I can
