I'm through with love
I can't take it anymore
I'm through with love
I've forgotten what it's for
I'm through heartaches
And bad breaks
And that's what it's made of
I'm through with love

First there was the man who said that
I'm the only one
And I believed
With all my heart and soul
No sooner had he said it when
His cheatin' had begun
And left me here
To walk to burnin' coals

I'm through with love
I can't take it anymore
I'm through with love
I've forgotten what it's for
I'm through heartaches
And bad breaks
And that's what it's made of
I'm through with love

Then there was the man who loved me
Sweet as they can come
And we believed we'd never have our fill
Then one day he woke up and said
"Baby I am done"
And a burnin' torch
I'm carryin' against my will

I'm through with love
I can't take it anymore
I'm through with love
I've forgotten what it's for
I'm through heartaches
And bad breaks
And that's what it's made of

I'm through with love

Love it don't come easy

It comes hard

I should be the luckiest at cards
