We're livin' in a cold cruel city  
In a cold cruel world  
That's the way it's been  
And probably will always be  
It ain't a very nice place  
For a sensitive boy or girl  
It ain't a very nice place  
For you and me  
It's so easy can't you see  
One thing missing that you need

Someone to come home to  
I will be waiting there  
Someone to come home to  
I am the one who cares

We come into the world alone  
And we go out the same way  
It's a cryin' shame

If you do it in between  
You gotta drive 20 miles  
Then you know that it's  
Hard to stay  
You go home feed your cat  
And check your machine  
Come on baby pack your bags  
This livin' alone is such a drug

Chorus x2

Oh let's go into the water  
The water is cold  
But not as cold as the air  
There's a lot of strange things  
Happenin' everywhere  
But over at my place  
There's always a sane face

Someone to come home to  
I will be waiting there  
Someone to come home to

I am the one who cares
