In my role
As a ground breaker
As a pallbearer
In a home

In my past life
As a benefactor
My lost years
As an actor

The stars are brighter
Are lighter
Then they have been
For years

Those stars are tighter
At one time
I've never seen so many
Stars

How could I be wrong?
How could I be?
How could I be?
How could I be wrong?

In my role
As a peacemaker
As a lifesaver
In a home

In your room
As a plan hatcher
A soul snatcher

The stars are brighter
Are lighter
Then they have been
For years

Those stars are tighter
At one time
I've never seen so many

Stars

How could I be wrong?
How could I be?
How could I be?
How could I be wrong?

How could I be wrong?
How could I be?
How could I be?
How could I be wrong?
