When you cut your lover's slack  
You'll get a fucking monster back  
Information indiscreet  
It's just an acrobatic trick  
Disintegrates at 2000 feet

Vanishes into mercury  
Light aircraft on fire

Tombstone queen Victoria  
Was an ex wing-walker  
Everybody ignored her  
Everybody implored her  
To vanish in to the radio

Disappear in the waveband slow  
Light aircraft on fire

Disintegrate at 2000 feet  
Disappear into mercury  
There's a dark premonition  
An accident will happen  
Theres a pre-science preacher in the cabin

Everybody eat your dust  
Everybody love your dust  
Light aircraft on fire
