Visit "[Dies Irae](#)" on MotoLyrics.com

It's a gloomy day
Sun hides behind grey cloud
Depression and hate
Now inside of me

Dies irae - earth starts to shake
Dies irae - there's no escape
Dies irae - against me you can't provide
Dies irae - god must die

Dies irae - earth starts to shake
Dies irae - the time of change
Dies irae - against me you can't provide
Dies irae - christ must die

Wrath is the source
Of each emotion (of mine)

Dies irae - earth starts to shake
Dies irae - there's no escape
Dies irae - against me you can't provide
Dies irae - god must die

Dies irae - earth starts to shake
Dies irae - the time of change
Dies irae - against me you can't provide
Dies irae - christ must die
