Joey

Joey, Joey, Joey
Why did have to go
I've been crying so hard
Just cause I loved you so

I don't want nobody
If I can't have you
And Joey, baby
I want you
Just my whole life through

Let them talk about us
Say our love's not real
But, Joey
They don't know us
How can they know
How we feel

We belong together
Cause our love is true
And, Joey, baby
I want you
Just my whole life through

Joey
