Yesterday I saw the ghost
Of my shaded past
He was standing by my window
Looking kind of lost
He said : "I've travelled through the oceans
Of time and space
Just to say I love you
I still can't forget"

I didn't even stop to listen
I had my things to do
So I just kept on walking
Staring at my shoes
I guess I didn't have the courage
To look him in the face
Then I heard his voice
Crying at my back

And he said: You're a strange bird
You sang so sweet then you flew away
You're a weird flame
You made me warm till I got burnt
Oh! you'll pay for this one day

When I got home it was late at night
Nothing on TV
So I just dived into the silence
With a cup of tea
Somehow I couldn't rest my mind
When I was in bed
I still heard these words
Rattling in my head

And he said: You're a strange bird
You sang so sweet then you flew away
You're a weird flame
You made me warm till I got burnt
Oh! you'll pay for this one day

I woke up early in the morning
Blinded by the Sun
I never felt so empty and so lonely

In my life
Iâ€™ve left so many ghosts behind me
Just to save my self
Now Iâ€™m all alone
And thatâ€™s the price I pay

Iâ€™m a strange bird
I sing so sweet then I fly away
Iâ€™m a weird flame
Iâ€™ll make you warm
Till you get burnt
I just look for Love
Does it make me bad?
We all look for Love
But itâ€™s not always there
