It's such a shame I've met you  
Now, when it's all too late  
Everything I had to give  
I've already given away.

My heart is gone.  
My body's is gone.  
It's just the ghost you see  
The ghost of someone you would like  
Someone I used to be

So, take this song  
It's all I've got  
That wasn't played before  
The rest is stained,  
Worn out, gone astray.  
I've played it down to the bone

In your eyes there's a hunger  
I cannot satisfy  
I'll never become your mistress  
I've been everyone else's wife

My heart is gone.  
My body's gone.  
I traded them so low  
Just for a few drops of passion  
Just for some scraps of love

So, take this song  
It's all I've got  
That wasn't played before  
The rest is stained  
Worn out, gone astray  
I've played it down to the bone

So, take this song  
It's all I've got  
I hope you understand  
The rest is stained  
Worn out, gone astray

It's such a shame I've met you  
Now, when it's all to late  
If only I never met you  
I wouldn't mind the waste.
