Snow... snow... snow...  
Everything's getting white  
There are no birds in the park  
They've gone.  
Snow... snow... snow...  
Winter's coming again  
I can feel her breath  
It's so cold  
O ! Baby, the way to you  
Seems so long today  
Like I've been walking for years  
O ! Baby, I've got a message  
For you  
That will make you sad  
Killing the smile on your face  
Killing the smile on your face ...  
Snow... snow... snow...  
Everything's getting white  
There is no love in my heart  
It's gone
