When I was young I felt the need of learning, learning
Love I was told kept the wheel on turning, turning
Still I'm trying to find, peace of mine inside
For once in your life you feel the urge of knowing,
knowing and wondering, "Why?"

Come on people, better use our sense, our time is
running out
There ain't no doubt about
We can make it, try to rearrange it
If there's a price we got to toss the dice
Ooh, won't you tell me what's right?
Ooh yeah, won't you tell me what's wrong?
Ooh, won't you tell me what's right?
Somebody tell me (Her) now?
Believe in destiny
Believe in humanity
Believe in we'll meet again
Somehow, somewhere, someday (And feel it, this
quest will never end)
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
I need to know right now, whoa
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
I hope that freedom soon will come our way
"Why?", tell me, "Why?", tell me, "Why?", tell me,
"Why?", tell me, "Why?", tell me, "Why?", tell me,
"Why?", tell me

Come on people, lent a helpin' hand
No need to fuss and fight
We all know where we stand
Help me make it, try to rearrange it
Name your price and I will toss the dice
Ooh, won't you tell me what's right?
Ooh yeah, won't you tell me what's wrong?
Ooh, won't you tell me what's right?
Somebody tell me (Her) now
Believe in destiny
Believe in humanity (I need to know right now)
Believe in we'll meet again

Somehow, somewhere, someday (And feel it, this
quest will never end)
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
I need to know right now, whoa
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
I hope that freedom soon will come our way
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
I need a, I need a key
Help me anyone
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
Somebody tell me now
"Why?", tell me, "Why?", tell me, "Why?", tell me, "Why
do I pray?"
