I'll never really understand
Why I believe you,
You're so sly and underhand

I think I'll leave you now
With everything I stole since we met
Stole no kisses just some books
And a butterfly net

Oh it's raining
Now it's sunny
Oh well you've scupered all my best laid plans
I plan to leave you
Just as soon as I slip it
Right out of hand

I can't believe you listed
Everything I stole since we met
Stole no kisses just some books
And the odd cigarette
Never all everyday
Must make you wanna stay

Believe me
Believe me
You wouldn't wanna be me
You wouldn't wanna share the strain of my name
If i could do it all over again
There's nothing I would ch-change
Bilò
They call me Billy Bilò
Like a fish on a lilo
I'm like a fish on a lilo
I'm all out of place
It's written all over my face

(yes it is..)
