Labour day, big crowd
Market square, feelin down
Just want to say what Im really thinking
I don't like your music and I hate your style
Somebody said sorry man, but you're talking to
A blue gary moore -balloon

Shame, shame, shame
This is not my day
Better change the name and the place

Another day, another place
I met that girl, just my style
175 / 20 and 55
I told her: you're cute
Come with me and I'll make you happy
Sorry, man Im occupied and Im a man

Shame, shame...

So I had to find the end to this story
And the end to my boring glory
So I was standing at kissing bridge
Looking down to muddy water, feelin so blue
Knowing what to do
Goodbye you, cruel, cruel world

Shame...
