Yeeeeeeeeaaaaaaahhhhhhh!

Don't look back into the sun
Now you know that the time has come
And they said it would never come for you oh oh oh oh

Oh my friend you haven't changed
You're looking rough and living strange
And I know you got a taste for it too oh oh oh

They'll never forgive you but they wont let you go, oh
no
She'll never forgive you but she won't let you go, oh no

Don't look back into the sun
You've cast your pearls but now you're on the run
And all the lies you said, who did you save?

But when they played that song at the Death Disco
It started fast but it ends so slow
And all the time it just reminded me of you

They'll never forgive you but they wont let you go (LET
ME GO!)
She'll never forgive you but she wont let you go, oh no

They'll never forgive you but they wont let you go (LET
ME GO!)
She'll never forgive you but she wont let you go, oh
no...
