I was walking

A wheel was running

I was freezing

Well my heart was steaming

I was bleeding

She was speeding

I was bleeding

She was just speeding

It was kinda fearing

To start interfering

Highspeed rolling

Keep on going

Highspeed rolling

Lowspeed rolling

Yellow cap is closing

From downhill city with love

From downhill city with love

In a downhill city with the ugly boots

On i?m walking

And I hear those things

Oo they all sound so lovely

Co's I see what I wanna see
I don't even think i'm lonely
In a downhill city
It's never raining
Faith is the key
The key was lost
Feels like a falling
Downhill is calling
Faith is the key
The key is back
She with me
We fly high
Above the dirt
And high houses
I was walking
A wheel was running
I was freezing
Well my heart was steaming
From downhill city with love
From downhill city with love
In a downhill city with the ugly boots
On i'm walking
And I hear those things
Oo they all sound so lovely
Co's I see what I wanna see

I don?t even think i?m lonely

In a downhill city

It?s never raining
