Shadow and too much sun shine
Canned love and radio star
Bad soda and air condition
Black cables and too much sorrow

Sorrow is the reason to my horror
I?m a moron ready to go for

Frustration yee yee yee

Big screen sensational person
Daw jones is goming down
Old cheesecake once more
There might be something on the floor
Looking up the sky is calling

I?m dreaming i?m exploring
I?m a moron ready to go for
Ten a clock i?m almost there

Frustration yee yee yee
