Hey master, hey master

Tell me, what's your plan

Should I go east, or should I go west

Tell me wheres the place I like best

Geronimo told me

Don't trust that man

He always tries to fool me

As much as he can

Hey woodoo, woodoo-woman

Tell me what is your plan

You said you don't need no man

Well I have the fastest train you ever have ran

Well look at that

Geronimo told me don't trust that woman

Shell always try to fool you, as much as she can

Geronimo told me, don't trust them at all

They always try to fool you, as much as they can

Geronimo, geronimo, geronimo, geronimo, geronimo
