Hey everybody, look at me now  
I make some business, round here now  
Get me some cars, I rent some land  
cos Im the king, of hong kong  
Im the king of hong kong  
Well Im the king  
Im the king  
Im the king  
Of hong kong x3  
Big heads, they want my land  
They dont know, well who I am  
Im the head of, this town  
Im the head of, this street  
Well Im the king  
Well now, I must go, cos they are calling back  
The king of hong kong
