Horror o ?horrible,it?s coming again  
Is this the beginning of the end ?  
Look at me now  
I have a tattoo in my arms,back and belly  
Ain?t that supposed to mean something

I have a paperclips  
All count to ten  
But I read the news every morning  
Yeah I know,it?s raining again  
I know all the miseries  
I play, I play with my tin soldiers

I have a headache  
Can you go now  
Of course nothing personal  
Yee I know I know I know, I know  
She?s gone  
Yee I know I know I know, I know  
She?s gone  
Gone gone gone gone gone
