Horsemans son

Your sister is my only one

Only girl, that I love love so bad

Horsemans son

Wont you tell me

Please tell me

Tell me how old is she

Is she sixteen, or maybe seventeen

Or is she eighteen

Oh it does not matter to me

Horsemans son

What your pa say

When he knows, that I love his daughter

Horsemans son, what your ma say

When she knows

That I sleep with her daughter

Well she is mine mine mine all mine

I hope she never leaves me blue

Like some another girls do

Girls do
