My story is much too sad to be told,  
But practically everything  
Leaves me totally cold.  
The only exception I know is the case,  
When I'm out on a quiet spree,  
Fighting vainly the old enui  
And I suddenly turn and see,  
Your fabulous face.

I get no kick from Champagne  
Mere alcohol doesn't thrill me at all  
So tell me why should it be true  
That I get a kick  
Out of you

Some get a kick from cocaine

I'm sure that if I took even one sniff  
That would bore me terrificly too  
Yet I get a kick out of you

I get a kick every time I see you standing there before  
me  
I get a kick though it's clear to me you obviously don't  
Adore me

I get no kick in a plane  
Flying too high  
With some guy in the sky is my idea of nothing to do

Yet I get a kick  
Out of you
